

DR. FLAKE

THE FUN OF SCIENCE.

THE SCIENCE OF FUN!

THE SCIENCE OF SNOW.

Get in the Know with Snow!

The most educational snow day of the school year.

Western New York kids are no strangers to the white stuff. However, now they have the amazing opportunity to observe the science behind it firsthand:

- Snow Park Niagara makes snow all year long - Learn about and witness the technology behind it!
- Observe snow manufacturing and replication technology as you tube down our 50-foot hill!
- Experience the unbelievable science behind ice replication as you glide across our rink!
- Steps from the falls!

For group rates, contact (716) 558-7577 ext. 111
